**LEADING WOMEN
TO LIVE FULL,
FEARLESS AND
FAITHFUL LIVES**

Do you long to make your life count for more than a vapor but can't seem to escape the dailies of each day? Do you seek significance to the days you are given under the sun but get caught up in the chaos of it all?

Stephanie Shott's new Bible study on Ecclesiastes entitled, ***Understanding What Matters Most***, will help you sift through the gamut of life experiences and learn to discern what matters most.

***Understanding What Matters Most* will:**

- * Help make your life count
- * Help you define your life by what matters most
- * Bring clarity to your circumstances
- * Ignite intentional living based on Biblical wisdom

Join Stephanie on a six week adventure through this often avoided and misunderstood book of the Bible. Learn why she calls it a "Heavenly Sieve" and how you can live each day for what matters most.

Passionate about Jesus, author and speaker Stephanie Shott inspires audiences to know Jesus more...personally, practically and passionately. Her transparent, practical, often humorous and always biblical messages speak hope, healing, encouragement and change into women's lives.

Stephanie's painful past and diverse backstory allows her to relate to women of all ages and in all seasons of life as she not only makes her places of pain a platform of praise, but with Indiana-Jones style she takes audiences with her on an adventure to unearth treasures in Scripture that can change their lives.

The M.O.M. Initiative ~ a fresh new vision for an age-old calling.

Stephanie is the founder of ***The M.O.M. Initiative***, a ministry designed to bridge the gap between the need young mothers have for a mentor and the church's need for resources and support.

***The M.O.M. Initiative* book** is being developed to become tools in the hands of mentors who are ready to take Titus 2 to the streets-to mentor moms in the church, in low income housing projects, in juvenile shelters, in homes for unwed mothers, in apartment communities-wherever young moms can be found.

***The M.O.M. Initiative* website** exists to support moms on both side of the mentor equation and provides fresh ideas, practical help, encouragement and devotions.

*If the hand that rocks the cradle rules the world,
then the church that mentors those hands
will win it!*
