### REMEMBER THIS...

*God says, you are loved with an everlasting love. You are inscribed upon the palm of His hand. He knows the numbers of hairs on your head and every thought of your heart. He has given you everything you need to live a godly and full life. He will never leave you. He will never forsake you. He is with you. He is for you. And He is constantly at work on your behalf. You are eternally His and nothing you can do can ever separate you from His love.*
